“I am very proud to present the Charleston Natural Hair Expo which has brought in over 1,000 attendees and over 70 vendors to celebrate those who embrace the various textures of their hair. When I realized my passion for educating and providing a platform for healthy lifestyle, entrepreneurship & natural hair to the Charleston market; I wanted this expo to be at the forefront. We take pride in educating our guests about healthy hair care, the importance of proper healthcare and diet as it relates to our natural hair and much more.
